Employment Opportunities

Meet with hiring managers looking to fill spring and summer seasonal roles, network with guest-facing teams as well as program staff. Learn about Summer Camps, Entry Level and Temporary Positions, as well as Full-Time Ongoing Roles.

Volunteer Opportunities

Get service hours or add to your resume by volunteering this spring and summer! From teens assisting with our summer camps to facilitators engaging families in hands on activities, each volunteer plays a vital role in fulfilling our mission.

On February 15

Enter Pacific Science Center through the Seattle Rotary Discovery Labs entrance at the intersection of 2nd Avenue N. and John Street. Follow signs from the intersection.

Be prepared to network and bring your resume and reference list.
