14TH ANNUAL FOUNDATIONS OF SCIENCE BREAKFAST
CURIOSITY | DISCOVERY | EXPERIMENTATION

May 17, 2017 | 7–9 a.m.
Marriott Waterfront, Seattle

Featuring:
Andy Jassy
CEO - Amazon Web Services,
Business Leader, Innovator

with
Adriane Brown
President & Chief Operating Officer,
Intellectual Ventures
The *Foundations of Science Breakfast* helps ensure that the innovators of tomorrow have access to hands-on science experiences. Featuring Andy Jassy, CEO of Amazon Web Services, and Adriane Brown, President & Chief Operating Officer of Intellectual Ventures, the program emphasizes the vital importance of investments in science education and how supporting young minds today will lead to the greatest discoveries tomorrow. Your participation advances our mission to ignite curiosity in every child and fuel a passion for discovery, experimentation, and critical thinking in all of us.

Sponsorship of this annual event provides the opportunity to stand with nearly 500 of the region’s business, civic, and philanthropic leaders in ensuring access to science education for everyone in our community. Funds raised support Pacific Science Center educational programs.
